How to Pick Ceremony Music

Processional - We recommend choosing one song for everyone who is walking down the aisle. This means there will be no break in the music during such a special part of the ceremony

Signing - Any song from our list will work! If you would like a song that you do not see listed, let us know and we can advise you if we can learn it!

Recessional - Choose an upbeat, celebratory song to accompany your guests cheers and clapping. We will keep the song going until everyone has left the ceremony space

If you don't know where to start, you can let us know what style of music you prefer and we can recommend music based on your venue and style.
